If one team is a player short, the team with 3 players have 2 woods each and the team with 2 players have 3 woods each. At the end of the game, a third is taken off the score of the team with 2 players, the score is rounded down to the nearest whole number.

If there are players who can only play half a game, the teams are allowed to change halfway through and both names to be entered onto the score card.

Toss for the jack, go straight off with no trial ends or one on the first two ends.

A match is 18 ends. If rain causes a shorter match, then a minimum of 12 ends is required and all rinks are to be scored after the same number of ends.

Tied ends count as an end, but "dead ends" are to be replayed.

A Player must have any part of either foot over the mat, neither foot needs to touch the mat.

This is a mixed League and aimed at players who are new to the game, there are occasions when teams struggle to meet this criterion, but they are encouraged to field Ladies and new players whenever possible.

The game fee is £1.50, including tea or coffee and biscuits. If a club wishes to offer cobs etc., they may do so, but if the cost is higher than £1.50, it must be agreed with the visiting captain first.

If a club has a bar, they can open, but Tea and Coffee must also be available.

All players must pay the £1.50 fee even if they are not stopping for the refreshments.

Please get results in by Tuesday night and let Jackie know of any cancelled or rearranged matches.
