

THE TERRY BAILEY TROPHY COMPETITION

Rules:

The Captains make the cards out as normal at the beginning of each game.

The cards will then be turned over with the corresponding rink card placed over the home card or away card, so that there are no bowler's names showing.

You will then have 3 piles of 2 cards each, face down.

The visiting Captain will then choose a set of cards at random, without looking at the names of the players written on those cards, and this rink will be The Terry Bailey Rink.

There will be 2 points awarded to the team who wins that rink, and 1 point to each team if it is a tied game.

On the scoring card, please place an asterisk against the Terry Bailey rink so that the scores can be recorded.

The highest scoring teams in Div 1 and Div 2 will be awarded The Terry Bailey Trophy, alongside a runner up for each division.

It is vital that the correct scoring cards are used for each game, so that I can keep a record. A scrappy piece of paper will not suffice.

It is entirely up to each Captain if they want to tell their players that they are The Terry Bailey rink, or you can let them know after the game has finished.
